December 1, 2011

Dear Ice Carver!

Announcing Stowe Winter Carnival's 12th Annual NICA Ice Carving Competition and Demonstration Day, held at Spruce Peak Plaza, Stowe Mt. Resort. Our 2012 Stowe Winter Carnival theme is "The Greatest Stowe on Earth" and the

NICA Ice Carving Competition theme is "The Circus"

Good Luck!

I am beginning to reach out to local resorts about interest in "Hosting an Ice Carver" and need to know from you, if you are interested in "lodging IN EXCHANGE for carving", as part of our Demonstration Day on Friday, Jan. 20, the day before the Twelfth Annual Ice Carving Competition, on

Sat., Jan. 21. I try to get Thurs/Fri/Sat accommodations in exchange for multi block carvings, so please be prepared to carve *quality* multi block sculptures.

Please e mail me or call me if you are indeed interested in the "lodging IN EXCHANGE for multi block carving" arrangement **ASAP/ Reservations fill up quickly.**

There will also be some Demonstration Day business demos available for ***Professional carvers*** @ \$65 a block to carve. We appreciate your enthusiasm for our small town venue! We like to assign Demo carving times to you and businesses for the Friday Demonstration Day, so that tourists and locals alike can enjoy observing your artistry.

DON'T FORGET!!! 7 PM The Matterhorn, Friday, Jan. 20-

Ice Carver's Welcoming Party ---owner Charlie Schaffer will put on a meal for you all and SWC welcomes you to Stowe--We'd like you to register at this event, have some chow and party to great music at the Matterhorn!
